Vista's new EnerLogic film is revolutionary and a fraction of the cost of replacement windows!

About US

Eco Tint and Shade, Inc. was established in 2011 as a woman-owned sister company to 3 Blind Mice Window Coverings, specializing in window film, window coverings. and glass scratch removal Based in Sorrento Valley, Eco Tint services the San Diego area and its counties. Our licensed and insured installers allow us to provide the quality assurance we pride ourselves on. We now offer glass scratch removal.

We offer a free energy analysis for commercial buildings. If you are interested, we also will come to your business for a short presentation on window film and can answer any questions you may have.
